LATEST GENERATION EQUIPMENT

**Automatic starters**
Within the framework of the Olympic Games Preparation Centre, the Syndicat Mixte has automatic departures for the training of competitors. These starts will also be used for national rowing and canoeing competitions.

**Finishing lap**
A finishing lap of 40 m² on two floors including a press area and a referee area during competitions. This finishing lap has a dual purpose, to accommodate:
- officials during competitions
- coaches during team training periods
A DEDICATED BOATHOUSE

Secure storage
Storage capacity to safely accommodate expensive competition boats.
A fitness area
The Games Preparation Centre includes:
- a weight training room
- a physiotherapy room of approximately 291 m²
- an infirmary.
QUALITY SPORTS ACCOMMODATION

For the comfort of athletes
In order to welcome the sports delegations in an appropriate standard of comfort, our accommodation is completed by a building comprising:

- **15 rooms** equipped with shower, WC
- **1 meeting and debriefing room** adapted to the sports world.
